### **TITLE: *COLORADO'S MORTON BOWEN ANNOUNCES ISO CERTIFICATION***

Broomfield, CO, August 25, 2008: **Morton Bowen Inc.** announces that Platinum Registration, Inc., an official accreditation body for ISO 9001 standards, granted the company ISO 9001:2000 certification for quality management systems (QMS). Globally recognized and respected, ISO 9001:2000 standards are set by the International Organization for Standardization (ISO), a Geneva-based worldwide federation of national standard bodies. This certification demonstrates Morton Bowen's dedication to and implementation of a dedicated, systematic and quantifiable approach to quality-of-service standards through a rigorous auditing process.

Morton Bowen is a supplier of precision metal components and critical process manufacturing; serving the medical device, aerospace, defense and telecommunications industries,

"ISO 9001:2000 certification is an important milestone for Morton Bowen and validates our unwavering commitment to delivering the highest quality products and services that our customers have come to expect," said Clive James, president of Morton Bowen

ISO 9001:2000 standards specify organizational requirements in documentation, procedures and operations for a quality management system and are important for a business focused on demonstrating its ability to consistently provide products or services that meet customer satisfaction and applicable regulatory requirements. In achieving ISO certification, Morton Bowen set solid standards and baselines in order to meet and exceed benchmarks going forward for quality customer service and support in the design, development, support and manufacturing operations.
